

# Waitat App

# Introduction

We choose **Witat** mobile application that specializes in providing a seamless and efficient solution for water supply needs. It caters exclusively to your water-related requirements, offering a wide range of sizes and options, all accessible from any location. With "Witat," you can connect with a network of water suppliers, eliminating the hassle of traffic and transportation. By simply using the app to place your water order, one of our dedicated couriers will ensure its swift delivery to your doorstep. Real-time tracking is available on the map, allowing you to monitor the progress comfortably from your location.

# Our Observation:

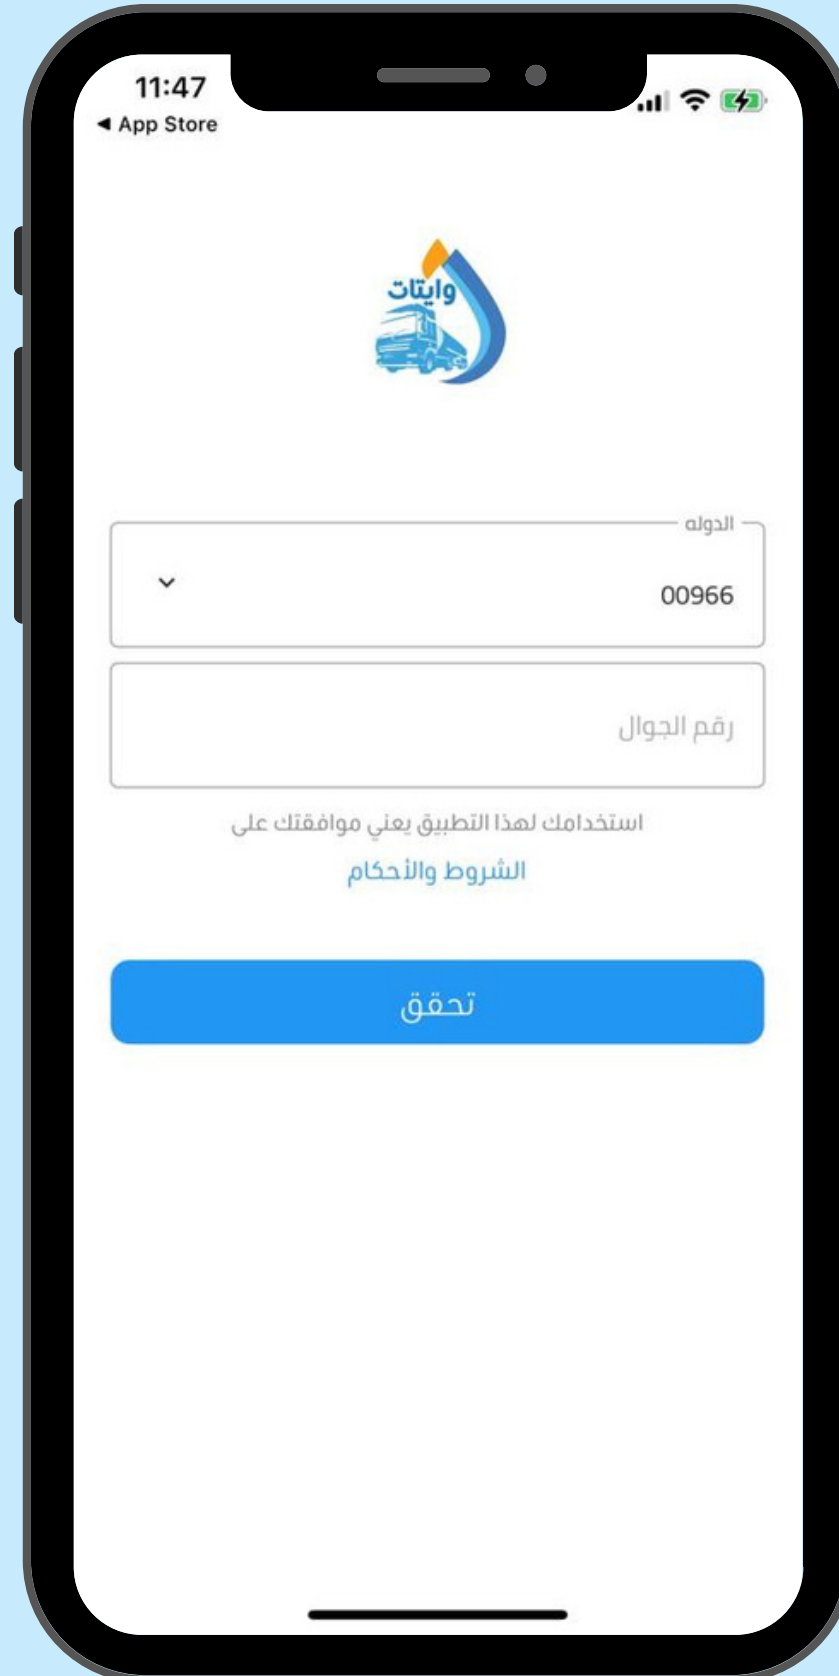

incomplete interface image

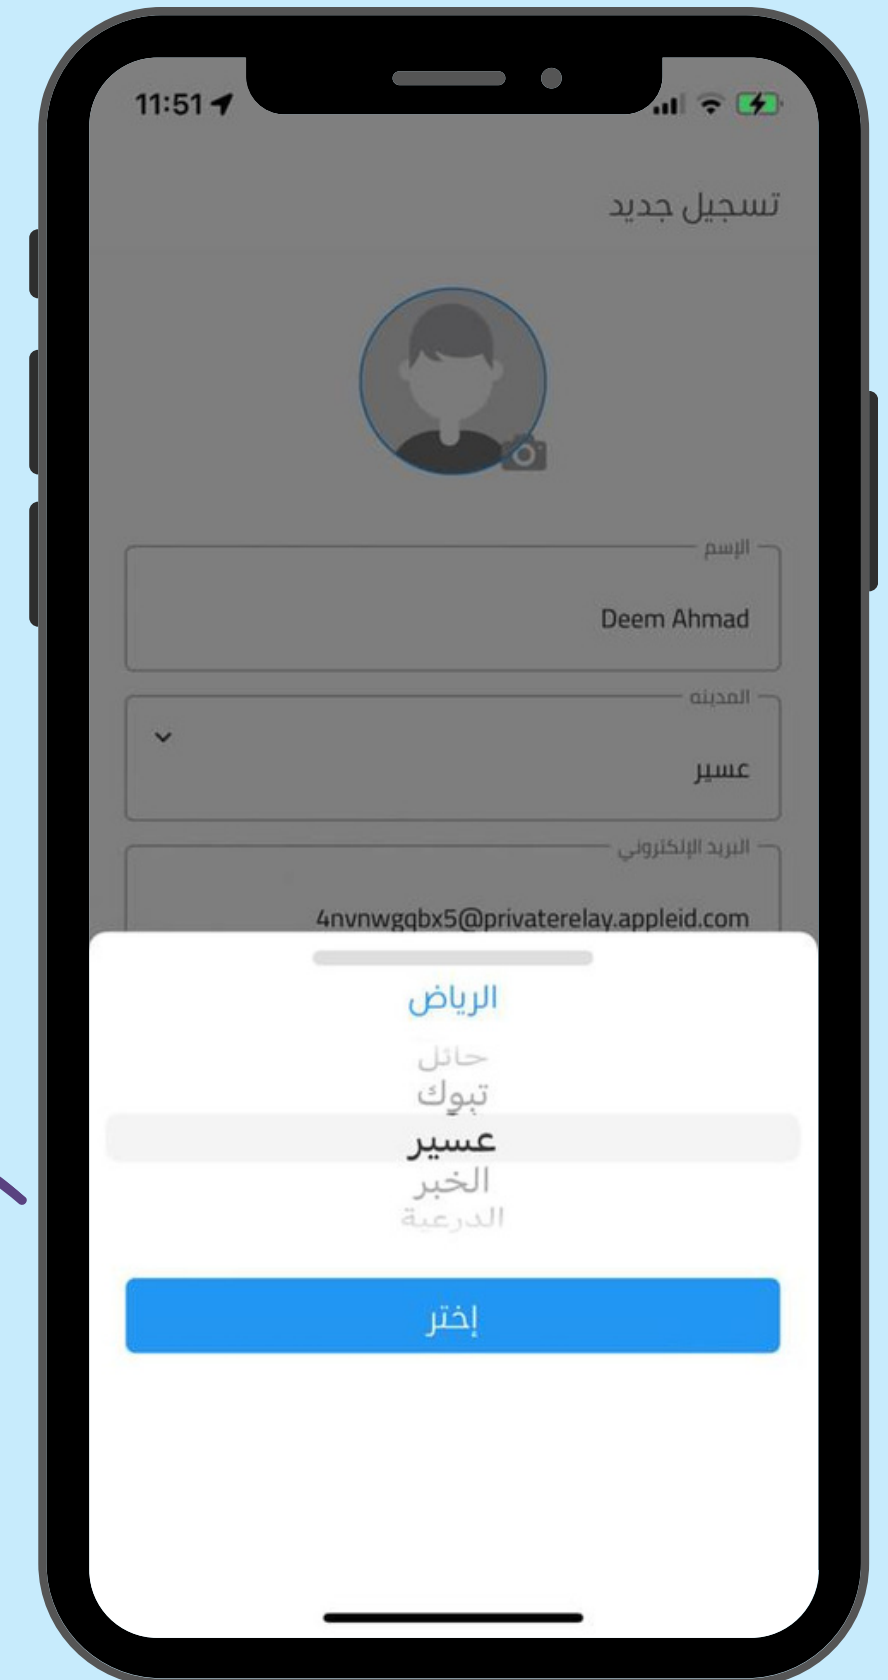

The heading question isn't consistent with the options

# Our Observation:

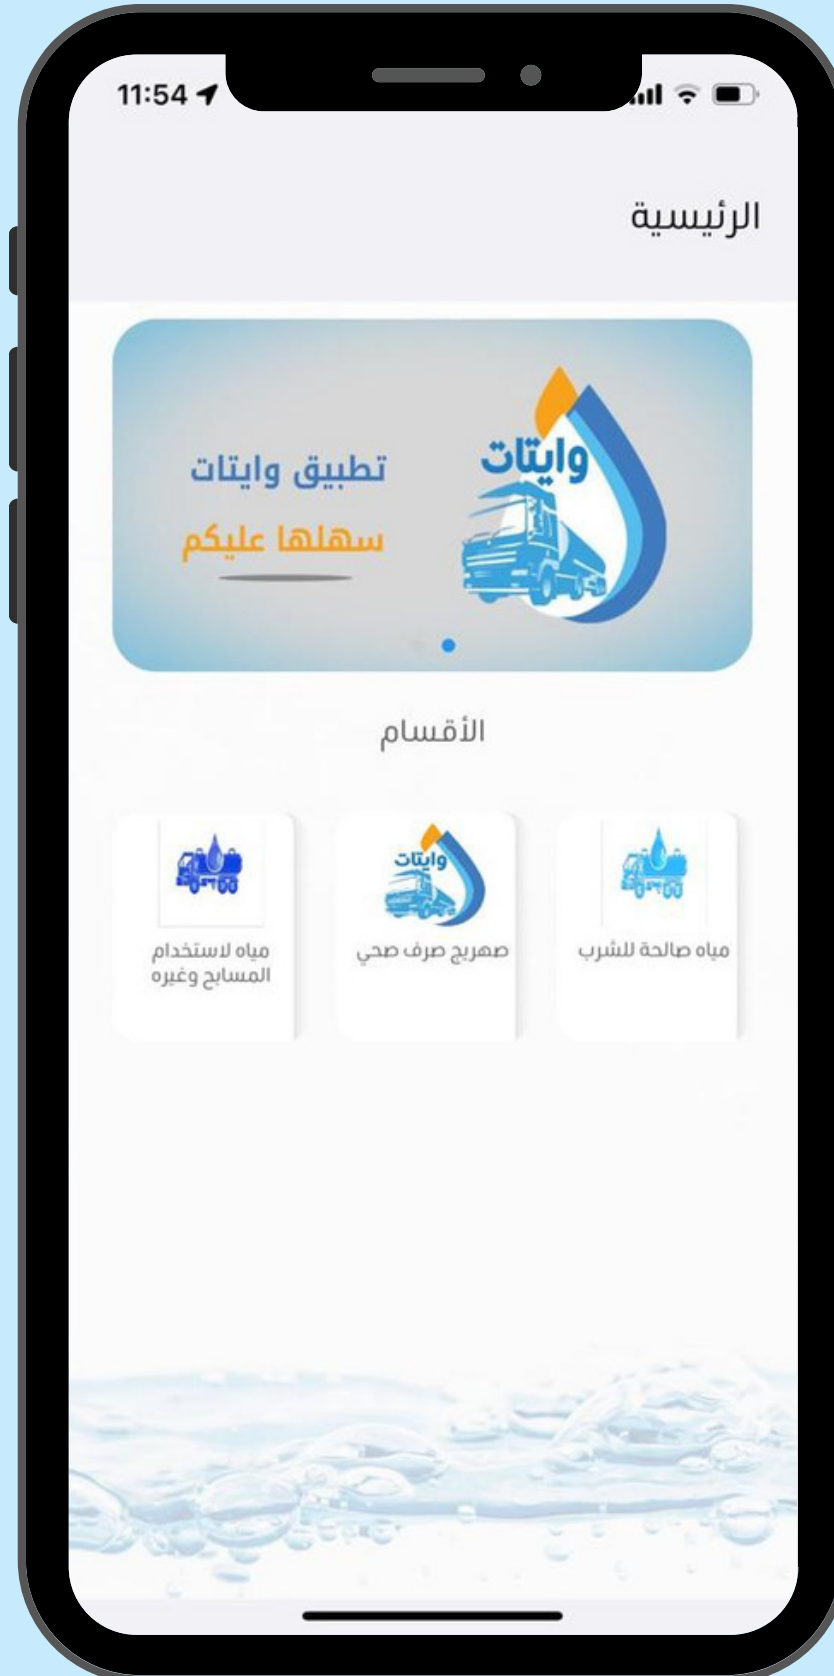

there is no option to go back

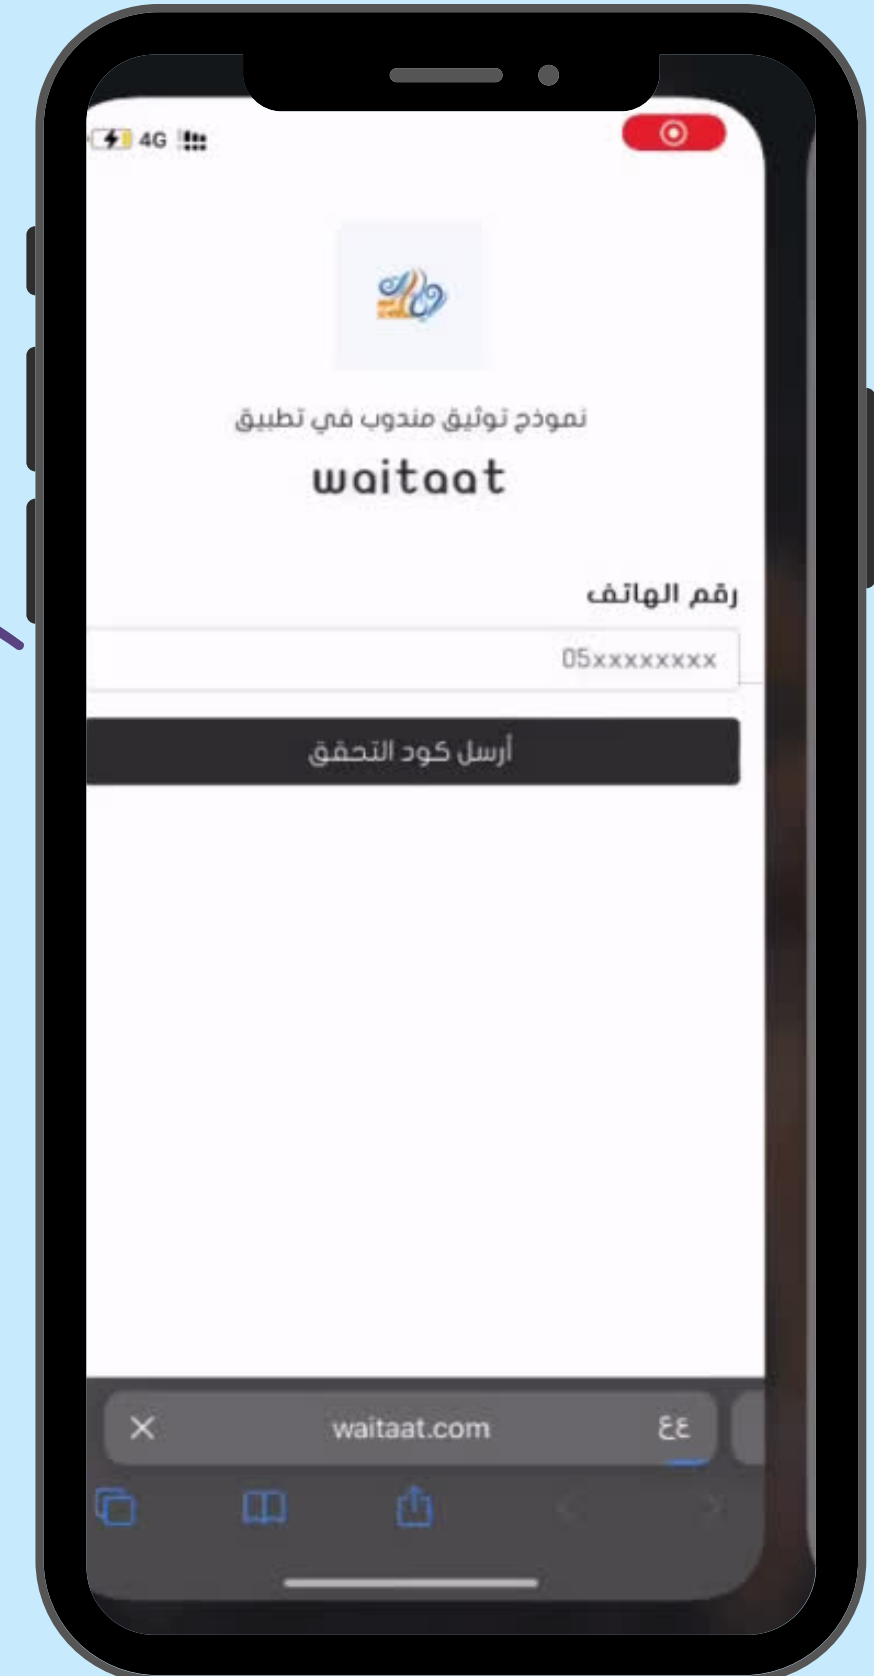

The order of the cities is inefficient and time consuming

# Our Observation:

There is no navigation way that contains contact information, account setting, etc.

It forces us to register as a delegate

# Enhancement

The objective of this proposal is to outline key enhancements aimed at improving the user experience and functionality of the application. Through extensive user feedback and market analysis, we've identified four crucial areas for improvement:

## Water Bottle Orders

we plan to introduce the capability to order water bottles directly through the application.

## Scheduled Water Orders

Implementing a scheduling feature will allow users to set up recurring orders

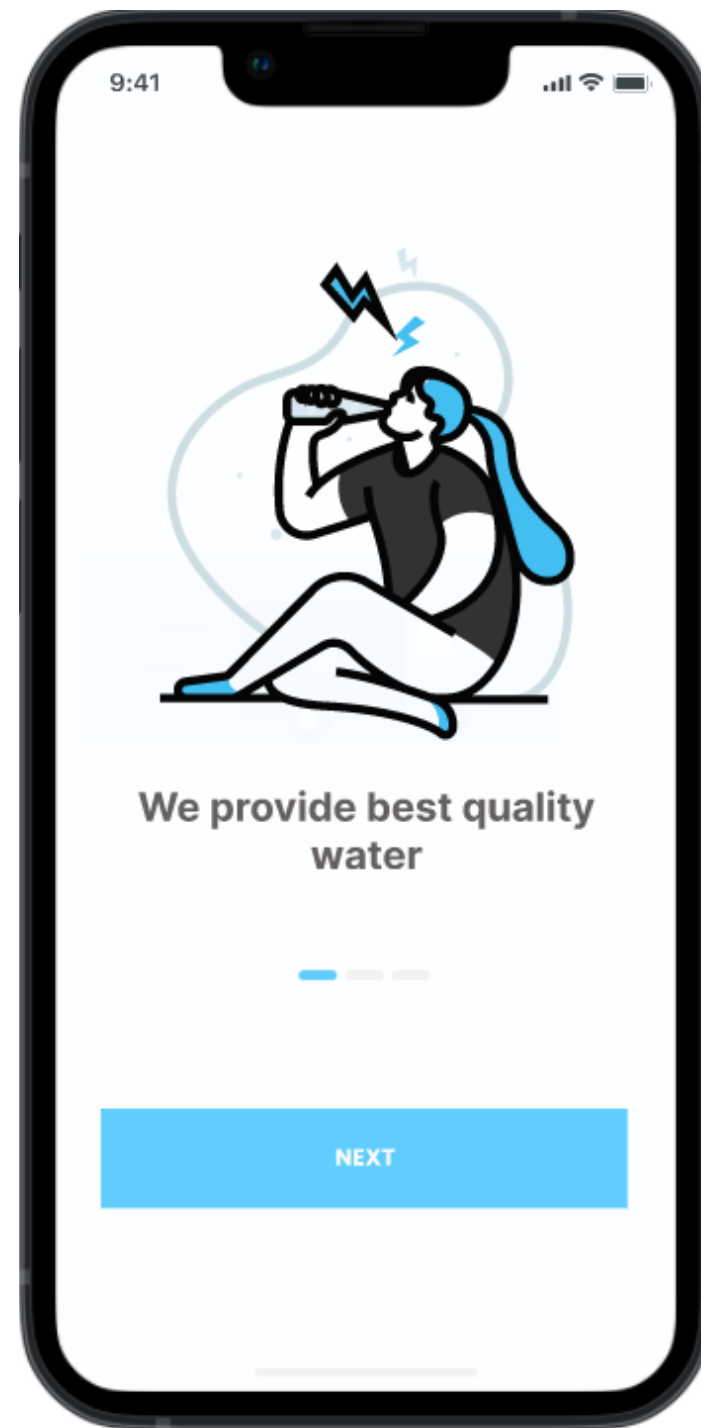

## Order Tracking:

This feature will enable users to monitor the status of their orders from confirmation to delivery

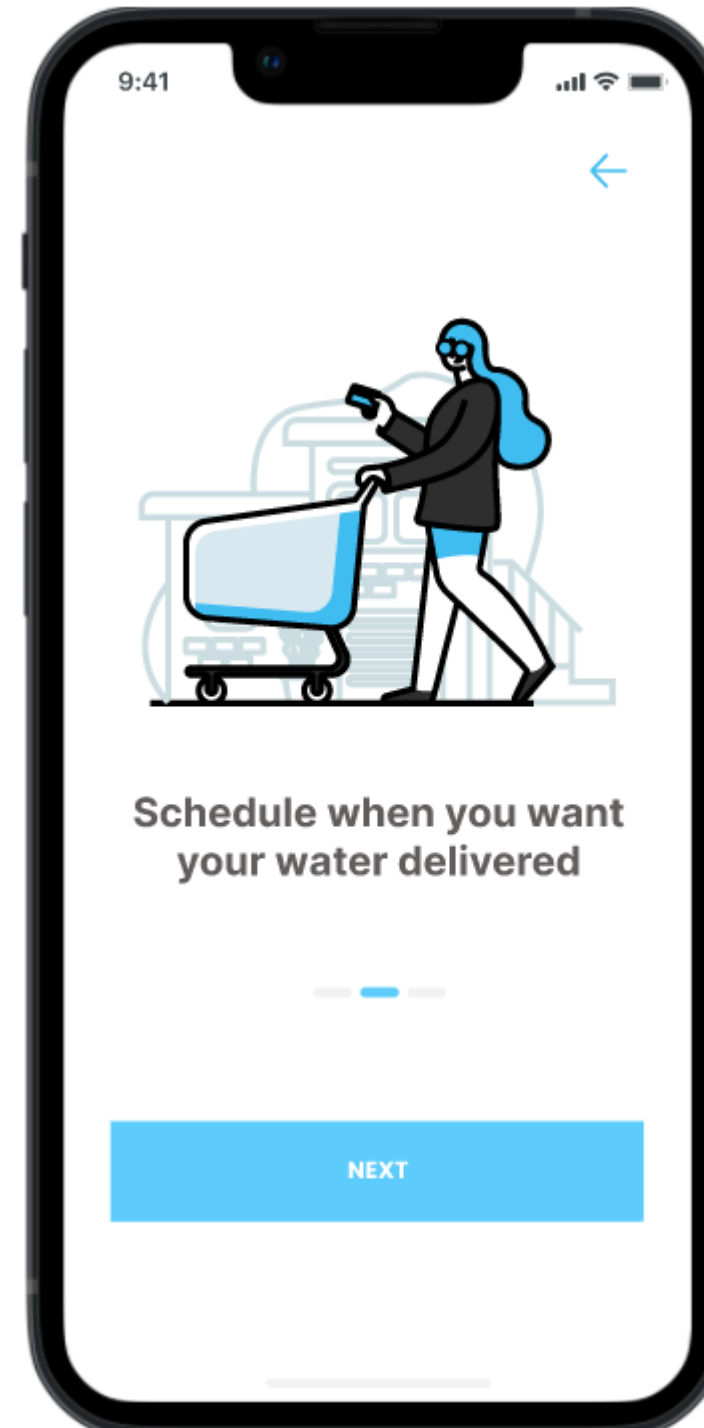

# User Interface

Welcome Page

The Registration Page has a top status bar with the time 9:41 and signal icons. A blue back arrow is in the top left. The title "Create your Account" is in blue. Below it is the instruction "Please fill in your details to create your account". The form includes three input fields: "Name" (containing "Jood Alolayan"), "Email" (containing "JoodAlolayan@gmail.com"), and "Password" (masked with asterisks). Below the password field is a "Confirm Password" field, also masked. A blue "CREATE AN ACCOUNT" button is at the bottom. At the very bottom, there is a link: "Alreay have an account? [Sign in](#)".

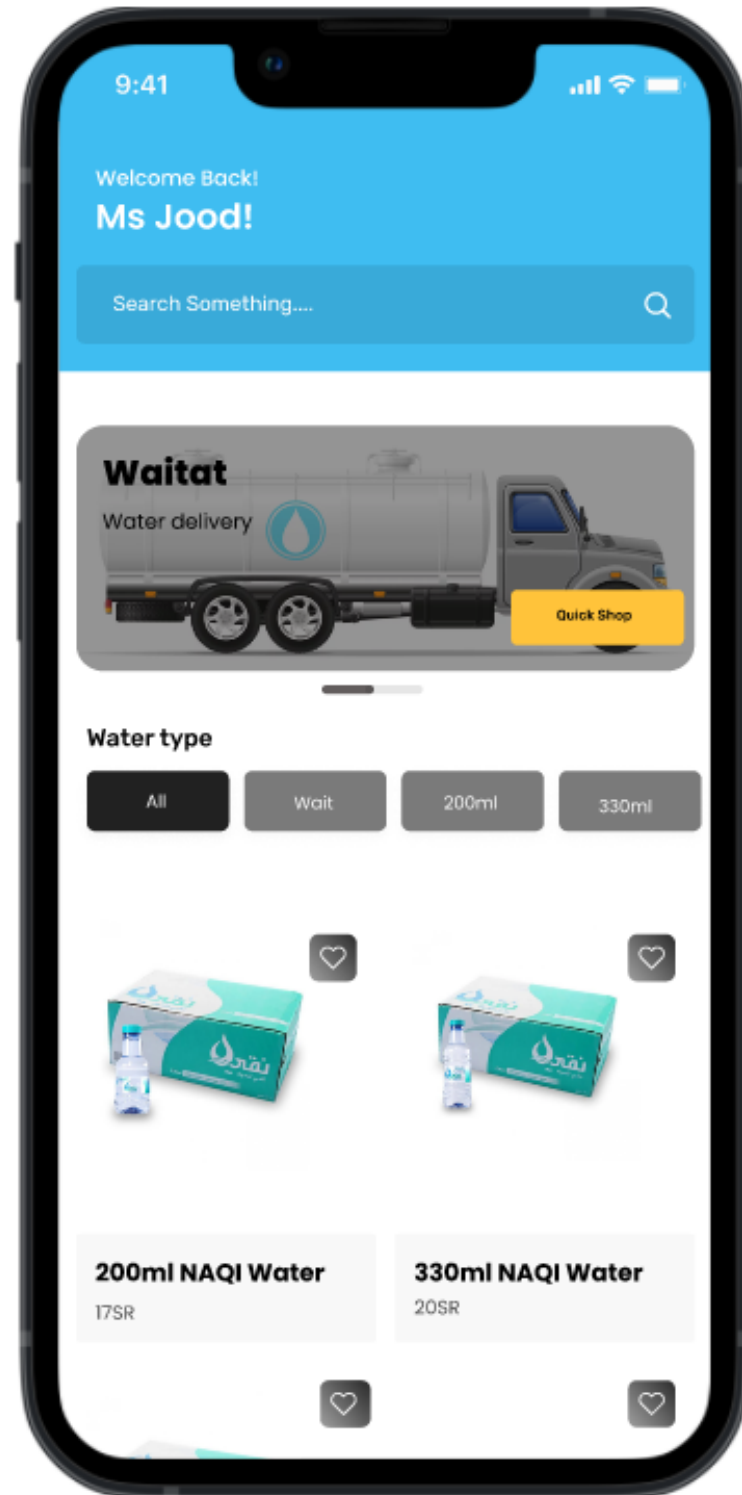

Registration Page

The Login Page has a top status bar with the time 9:41 and signal icons. A blue back arrow is in the top left. The title "Welcome Back!" is in blue. Below it is the instruction "Please fill in your email password to login to your account.". The form includes two input fields: "Email" (containing "JoodAlolayan@gmail.com") and "Password" (masked with asterisks). To the right of the password field is a link: "Forgot Password?". A blue "LOGIN" button is at the bottom. At the very bottom, there is a link: "Don't have an account? [Sign up](#)".
